21 I am "readily familiar" with the firm's practice of collection and processing
correspondence for mailing. Under that practice it would be deposited with the U.S.
Postal service on that same day with postage thereon fully prepaid at San Diego,
22 California in the ordinary course of business. I am aware that on motion of the party
served, service is presumed invalid if postal cancellation date or postage meter date
23 is more than one day after date of deposit for mailing in affidavit.

24 I declare under penalty of perjury under the laws of the state of California that
the above is true and correct.
